

DIGITAL + TEXTURE PERMS

COMPREHENSIVE MODERN

Full-Day Advanced Level

Forget everything you learned in beauty school about perm rules and join veteran, stylist Dot Hachey for a full-day, comprehensive, modern perming class, which includes:

Haircutting for the Modern Perm. Healthy hair is often heavy hair and strategic "lightening" is needed to ensure the curl maintains integrity and bounce. Learn best, pre-perm cutting practices to achieve best results.

What is the difference between a Texture Perm and a Digital Perm? Learn the differences and how to perform each. This class is part lecture, part demonstration and absolutely hands on.
